

Pelvis Chart

Articular Dysfunction	Test	Adjustment	
		Contact Point	Line of Drive
1. AS ilium	Pressure test (crest of ilium)	A. Base of sacrum on side opposite PD	Anterior-inferior
		B. Crest of ilium	Inferior-medial
		C. Ischial tuberosity	Anterior-inferior
2. PI ilium	Pressure test (under sacrotuberos ligament)	A. Spine of ischium	Posterior-superior and lateral
		B. Sacrotubous ligament	Posterior-superior and lateral
		C. Iliac fossa	Anterior-superior
3. Superior pubic bone	Isolation test (squeeze knees together) PD leg lengthening Pos. #2	Superior aspect of pubic bone	Inferior
4. Inferior pubic bone	Isolation test (squeeze knees together) PD leg shortening Pos. #2	Inferior aspect of pubic arch	Superior
